Digichatroom-Part 5
>
a/n okay, this part is REALLY short, but my cousin said the
ending was good, so I decided to leave it the way it is. I'm sorry
it's short though, and DON'T THINK JUST CUZ OF MY USER NAME THING
THAT IT'LL BE SORA+YAMATO IN THE END, CUZ I DON'T EVEN KNOW MYSELF
YET! and I'm gonna use the chat thing a whole lot less since there's
really no point for it right now (even though the title is
Digichatroom)
>
okay, here's part 5...
>
 "Let me go!" Sora screamed.
> The boy shook his head and then knocked Sora on the head and she
fell unconscious. He then dragged her over to his car and tossed her
in and drove away.
>Next morningâ€¦
>sccrchamp does anyone know where Sora is???
JKido13 no
>KidTK Why? What happened?
sccrchamp I called her house, and her
mom picked up sounding all worried because she didn't get back last
night, she thought Sora was with me at first but she wasn't she went
to Mimi's
>Pr_Mimi she never arrived
sccrchamp SHIT what the fuck happened
to her???
>KidTK what are we gonna do?
comp_whiz did you try calling her
again??? Before you went online?
>sccrchamp yeah, I did, but her mom only picks up saying the same
thing "she's not back here yet"
Pr_Mimi are you gonna try to find
her?
>sccrchamp yeah, later if she STILL is missing
KidTK I think you
should start looking now
>JKido13 maybe we should have everyone meet at Taichi's house and
then we'll all try to look for her.
KidTK all right, I'll call
Yamato.

>sccrchamp be at my place by an hour
>Later at Taichi's houseâ€¦
> "Okay is everyone here?" Taichi looked around. "Where's
Yamato?"
 "I tried calling him, but no one would pick up," Takeru
explained.
> "Oh well," Taichi looked at Mimi, "are you SURE that you didn't see
her last night?"
 "Positive."
> "Man, I tried calling, but she STILL isn't back. I wonder what
happened."
 "Maybe we should go out in the city and go to all the
places she would most likely be," Koushiro suggested.
> "Okay," everyone agreed. They all started to leave.
 Taichi then
realized something, "WAIT!!!" he called out before everyone left.
> Everyone turned around, "what?"
 "Koushiro, call Corey, heâ€¦he
might've done something to herâ€¦I know Yamato wouldn't, but I think
that Corey might've."
> "Okay," Koushiro ran inside and dialled up Corey's number. He then
ran back outside Taichi's apartment.
 "Well?" Taichi asked.
> "He's not home."
> Sora opened up her eyes and found herself tied to a chair.
"Finally, you're up, now we can talk," a voice behind her spoke up.

> "Yamato, what are you doing?"
 "How could you do that to me,
Sora?!?" Yamato yelled. "I mean, Koushiro always saw you flirting
with me and then what about the time you KISSED ME??? What happened
to that?!? After all that happened you go and leave ME for TAICHI!!!
WHAT THE HELL ARE YOU TRYING TO DO?!?!?!?!?!"
> Sora looked at Yamato with tears in her eyes, "I'm so sorry!" she
sobbed. "Butâ€¦Iâ€¦I really do like Taichi, I mean I've always
considered him as one of my best friends and he's always been so
sweet and caring to meâ€¦"
 "DON'T YOU THINK I'M TRYING TO BE
TOO??? I ACTUALLY TOLD YOU THAT I LOVED YOU SORA! AND NOW LOOK AT
WHAT YOU'RE DOING!!!!!!!! DON'T YOU KNOW THAT IT HURTS????????"
> "I know!"
 "Then you'll have to go through somewhat the same
pain I'm going through emotionally."
> "What do you mean that I'm going to go through something you're
going through?"
 "I'm going after Taichi." Yamato turned and left
Sora sobbing.
>
to be continued...
>
I know Yamato fans are gonna try to kill me for this, but it's
JUST A FANFIC!!!!!!!!!!!!!!!!!! anyways, Yamato's my fav character
too, so DON'T KILL ME!!!!!!!!!!!!!! (same with Taichi fans)
>I will put up the next part soon (as long as I'm not dead that is)
